SUPPLEMENTAL DECISION AND ORDER

On January 28, 1981, the Acting Regional Director for Region 19 issued a backpay specification and notice of hearing in the above matter, notifying Respondent that it had 15 days to file an answer to the specification. On March 11, the specification was amended. On June 2, the Acting Regional Director issued a certification of nonfiling of answer and, on June 4, the General Counsel filed with the Board a Motion for Summary Judgment, along with a supporting affidavit. On June 10, the Board issued an order transferring the proceeding to the Board and Notice To Show Cause why the General Counsel's Motion for Summary Judgment should not be granted. Respondent failed to respond within the time provided.

The Board has considered the record herein, including the correspondence between Respondent and the General Counsel, and has decided to grant the General Counsel's Motion for Summary Judgment. Pursuant to Section 102.54(c) of the National Labor Relations Board Rules and Regulations,

Series 8, as amended, we hereby deem Respondent to have admitted all the allegations of the backpay specification, as amended, to be true, and we will order it to pay the amounts alleged therein to be due the named employees.
